

# Easter Seals Beach Ability

Easter Seals North Carolina is making coastal recreation more accessible to persons with disabilities and other mobility impairments by placing adapted recreation equipment in North Carolina coastal communities.

Easter Seals partnered with local Parks & Recreation departments, National & State park systems, police & fire stations, town halls and kayak outfitters to loan the equipment to the public.

## The adaptive equipment may include:

- Accessible Beach Wheelchairs
- Adapted Fishing Equipment
- Adapted Kayak Equipment
- Handcycles
- Accessible Golf Carts

The equipment is free of charge (\$5.00 rental fee for golf carts, local use only, security deposits may be required) at these locations:
